Player Selections Announced for the 52nd Kansas Shrine Bowl

The Kansas Shrine Bowl has announced the 88 players who have received invitations to play in the 52nd Kansas Shrine Bowl presented by Mammoth on Saturday, June 21, 2025, at Memorial Stadium in Dodge City, Kansas. The initial invitations are the result of a selection process combining statewide media votes and Kansas Shrine Bowl coaching staff selections from a list of 447 nominees. In addition to filling position specific needs on the roster, the selection process includes additional criteria regarding geographic restrictions, classification size, and limits on the number of players that may be selected per school. To learn more about the full selection process, visit

Additional invitations to play in the 52nd Kansas Shrine Bowl presented by Mammoth may be extended to nominees who were not among the initial 88 selections. Roster replacements are selected by the Kansas Shrine Bowl coaching staff in a case where an invited player declines their invitation to play or must withdraw from participating for any reason.

"We are excited to extend an invitation to this group of young men to represent themselves, their families, their communities and their high school football programs in a showcase that is so much bigger than just an all-star football game," said Brice Kesler, Executive Director of the Kansas Shrine Bowl. "I hope the players understand how difficult of a roster this is to get selected for, and I want to congratulate them for all their hard-work and dedication that has earned them this opportunity. They are joining a very select fraternity of Kansas high school football players who have had the opportunity, since 1974, to play a game they love and make a life changing impact for the kids of Shriners Children's."

In addition to playing in the annual East vs. West all-star football game, Kansas Shrine Bowl participants get the opportunity to meet and interact with the Patient Ambassadors from Shriners Children's during the Hospital Experience event during game week. For many, the Hospital Experience is the highlight of their time at the Kansas Shrine Bowl and showcases the true purpose of the Kansas Shrine Bowl.

The Shrine Bowl of Kansas Inc. is a 501(c)3 non-profit organization that produces annual events and related activities, with net proceeds benefiting Shriners Children's Hospital.
